Infant Class Learning Program for August, 2021
婴儿班 八月份学习纲要

Dear Parents,

Our learning themes in August were "Fruit" and "Musical Instrument" respectively.

The learning theme for the first two weeks was "Fruit". We showed a variety of different pictures of fruits such as pears in green, strawberries in red, grapes in purple, blueberries in blue, etc., and also described the shapes with counting of the fruits. In the daily learning activities, the teachers added painting to the pictures of grapes and put them in a plastic bag for the children to explore with their hands and also played the "Fruit Song" for the children to recognize the fruits.

The learning theme over the next three weeks was "Musical Instruments". The teachers used different toy musical instruments to allow the children to touch and explore the rhythm of the music and placed drums around them to produce different sounds with different velocities to make different rhythms. When the children heard the drum beat, they reacted very happily and attentively. We also showed pictures of various musical instruments, such as kids piano, trumpet and trumpet.

In the learning activities, the teachers played "Musical Instrument" songs to make the children enter into the musical atmosphere with fun. We prepared pictures of the piano, and under the guidance of the teacher, held the hands of the child with a sponge printing pad to color the picture of the piano.

亲爱的家长们：

我们在八月的学习主题分别是《水果》和《乐器》。

前两周的学习主题是《水果》，我们展示了多种不同的水果图片让小孩学习，例如：绿色的梨，红色的草莓，紫色的葡萄，蓝色的蓝莓等。并讲述了水果的形状和数数，老师拿着葡萄的图片，用手指着葡萄，然后数着一颗葡萄、二颗葡萄、三颗葡萄等。每天在学习的活动中，我们播放着《水果歌》，让孩子进一步对水果的认知。我们并在葡萄水果的图片上加着颜料，然后放进塑料袋里，让小孩用手探索。

接下来三周的学习主题是《乐器》，我们取用了不同的玩具乐器，让小孩触摸和探索音乐的节奏，其中也有敲鼓，用不同的力度产生不同的响声，用不同的速度变成不同的节奏。当孩子听到敲鼓声时，他们非常开心及专注地学习。我们也展示了多种乐器的图片，例如：小孩琴，喇叭和小号等。

在学习的活动中，同时也播放着《乐器歌》让孩子有趣地投入了音乐气氛中。我们也取用了钢琴图片，在老师的引导下，牵着小孩的手，拿着海绵印台，为钢琴的图片着色。
