I/T Class March Newsletter

婴儿学步班 3月份学习纲要

Dear Parents,

The themes of our class in March were "School" and "Spring".

During the first week, we introduced the topic of "school" to the class. We taught the children about their classrooms, teachers, friends and did an introduction on each of their names so that they were able to learn who their classmates were. The children used each of their handprints to create a large handprint collage to hang in the classroom.

We continued the topic of "School" in the following week. The children learned about various rules set for the classroom and how they ought to follow specific rules in a classroom setting during lessons and meals such as cleaning their own toys after playing. The children used stickers to make a school bus during their art class and also sang songs titled "Going to School" in Mandarin.

For the last two weeks of March, we had the theme of "Spring". The children learned about how animals and plants live in Springtime and the teachers showed the sprouted branches with a song titled "Spring is Coming" in Mandarin during outdoor activities. In their arts and crafts, we asked the children to paste on the picture with the trees and also taught them how to plant seeds. We hope that the flowers would grow and the children would enjoy seeing their plants grow.

尊敬的家长：

三月我们学习的主题是：学校，春天。

3/1--3/12/2021我们学习的主题是学校，在3/1--3/5我们给孩子们教导了我们的教室、我们的老师、我们的朋友、我们的名字，让孩子们了解我们学校里的群体。在上课的时候，我们介绍每个孩子的名字，让孩子们认识并知道同学的名字，我们用每个孩子的手印制作了一幅大的手印画挂在教室里面。

在第二个星期3/8---3/12/2021，我们继续了学校的主题，我们给孩子们了解教室设定的各种规则，我们告诉孩子在上课的时候应该怎样做、在吃饭的时候应该怎样做、自己应该要收拾自己的玩具。在手工课里我们制作了校车贴画，在这两个星期里我们还学唱《上学歌》。

3/15--3/26/2021我们的主题是：春天，春天的动物、春天的植物，我们用图片展示春天的动物和植物给孩子们看。我们听着“春天来了”的歌曲，我们带领孩子外出让孩子看春天发芽的树枝，我们在手工课里让孩子贴了树的图片，让孩子们亲手种下了花的小种子，希望孩子们亲手种下的花能开出漂亮的花朵。
